This is to certify that the student(s) is in good health and is capable of vigorous activity. I will be responsible for any injury or loss of property sustained by myself or my child in connection with the class. I understand that classes fill on a first come, first served basis, and that there are no refunds after the first two weeks of classes. Ballet is a physical craft that is learned through the body, and that in teaching and learning physical touching and correction is necessary. Please contact Kathryn Smith if you have questions or concerns.
